PEELING

BRUSH WITH HANDLE

Dry peeling
Very ancient technique that provides excellent results and great benefits on the lymphatic system in just a few minutes a day. The bristles of this brush derive from a vegetable fiber called "Tampico" extracted from "Agave Lechuguilla" (also called "Ixtle"), a succulent plant that grows spontaneously in the desert areas of Northern Mexico.

PEELING

.510 PEELING

Enzymatic emulsion
Energizing body peeling spray rich in fruit enzymes that gently exfoliate the skin giving it a soft texture and a radiant appearance. Superficial and extremely delicate, it is suitable for daily use, for progressive exfoliation. Optimizes the effectiveness of the creams from the BOOST line.

120 ml | 4.06 Fl.Oz.

Functional ingredients: Fruit extracts (Papaya, Mango, Kiwi, Strawberry, Lemon).

PEELING

.517 SUGARGEL SCRUB

Gel-oil scrub
Innovative exfoliating face and body gel scrub that turns into oil with a light massage in the first application phase and then into milk by mixing it with water. A surprising texture that combines the exfoliating property of sugar with the nourishing and emollient power of Avocado and Sweet Almond Oils and the freshness of a moisturizing milk.

200 ml | 6.77 Fl.Oz.

Functional ingredients: Sugar, Avocado oil, sweet almond Oil.
