MAIN ACTIVE INGREDIENTS

HAZELNUT OIL

Rich in unsaturated fatty acids (about 90%), phospholipids, vitamins A and E. It is used for its precious antioxidant, emollient, toning and rebalancing properties.

RED ALGAE

(Palmaria Palmata)

Rich in minerals (magnesium, potassium, calcium) it is used in cosmetics to revitalize cells, but also as an adjuvant in the treatment of cellulite.

ARGAN OIL

Thanks to its exceptional regenerating and antioxidant properties it is very effective in giving the right level of nourishment.

INSTRUCTIONS

Apply once a day and massage until completely absorbed, focusing particularly on the thighs, hips, abdomen, buttocks and inner arms. External use.
