

TEXTURE

Nourishing and renewing body cream

Rich emulsion with nourishing and elasticizing action: it evens and moisturizes the skin of the body, exerting a delicate superficial exfoliation. Constant use visibly improves the appearance of the skin, making it smooth, soft and intensely nourished.

PROBLEMS

- Dry, dehydrated skin

EFFECTS

- Nourishment
- Hydration
- Renewed, compacted skin

Tube 200 ml

Cod. Art.: ARO202107

MAIN ACTIVE INGREDIENTS

SWEET ALMOND OIL

Nourishing, elasticizing and emollient agent that delays the aging process.

SHEA BUTTER

Extremely nourishing and emollient thanks to its concentration of fatty acids and vitamins.

GLYCOLIC ACID

Also called hydroxyacetic acid, it is the smallest and best known of the alpha

hydroxy acids. Its exfoliating properties have always been known: it manages to penetrate all the superficial layers of the skin, eliminating dead cells and any impurities. It guarantees an improvement of the superficial layer of the epidermis and therefore an intense cell renewal.

OAT EXTRACT

Extract with anti-inflammatory, anti-irritant and moisturizing properties.

CALENDULA EXTRACT

The calendula plant contains carotenoids, flavonoids and essential oils. This botanical extract has important soothing and anti-reddening properties.

INSTRUCTIONS

Apply on the areas to be treated and massage until completely absorbed. External use.

INGREDIENTS: AQUA (WATER), PRUNUS AMYGDALUS DULCIS (SWEET ALMOND) OIL, C12-15 ALKYL BENZOATE, GLYCERIN, BUTYROSPERMUM PARKII (SHEA) BUTTER, GLYCOLIC ACID, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, CYCLOMETHICONE, STEAROXY DIMETHICONE, POLYACTYLATE CROSSPOLYMER-6, POLYSORBATE 80, PHENOXYETHANOL, DIMETHICONOL, AMMONIUM HYDROXIDE, CITRUS AURANTIUM BERGAMIA (BERGAMOT) FRUIT OIL, PARFUM (FRAGRANCE), AVENA SATIVA (OAT) KERNEL EXTRACT, CALENDULA OFFICINALIS (MARIGOLD) FLOWER EXTRACT, CYAMOPSIS TETRAGONOLOBA (GUAR) GUM, XANTHAN GUM, ETHYLHEXYLGLYCERIN, SODIUM BENZOATE, POTASSIUM SORBATE, CYCLOPENTASILOXANE, DIMETHICONOL, CITRAL, LINALOOL, ASCORBYL PALMITATE, TOCOPHERYL ACETATE.
