

## SLIM CEL

Cosmetic treatment with a slim effect\*

Cosmetic treatment capable of promoting the drainage of excess fluids and a lipolytic action. The synergy of functional substances and excipients gives the bandage a moisturizing, draining and lipolytic action.

\*Cosmetic treatment that does not involve weight loss.

### PROBLEMS

- Edematous cellulite
- Water retention

### EFFECTS

- Slimming
- Draining
- Vasoprotective
- Reducing

Size 250 ml

Product included in the kit and not sold individually

## MAIN ACTIVE INGREDIENTS

### CAFFEINE

One of the most effective active ingredients in body treatments thanks to its lipolytic action. It is in fact able to promote the degradation of triglycerides in adipocytes by reducing their volume. It also has strong antioxidant properties.

### GUARANÀ EXTRACT

It has a fat burning action and gives energy to the cells. Thanks to its high caffeine content, it is able to give an impor-

tant detox and slimming action.

### FUCUS VESICULOSUS EXTRACT

Composed mainly of mucilage, mineral salts, iodine, proteins and amino acids. It has remodelling, slimming and reducing properties of the subcutaneous adipose layer.

### HORSE CHESTNUT EXTRACT

The phytocomplex obtained from different parts of the plant contains a mix of saponins very rich in components

particularly useful for the treatment of disorders related to adipose tissues. In particular, it has an anti-inflammatory, antioxidant, lipolytic and vasotonic action.

## INSTRUCTIONS
