**DETOXY AND
OXYGENATE**

Regular purification and oxygenation are fundamental actions to keep your body healthy.

That's why Arosha creates DETOXY a specific treatment that helps the body to eliminate toxins and facilitate the functioning of the lymphatic system with consequent oxygenation of the cells.

Its performance is even more emphasized in combination with a pressotherapy or infrared devices.

EXFOLIATION - ACTIVATION - SHOCK ACTION - FINAL MASSAGE

EXFOLIATION - ACTIVATION - SHOCK ACTION
the main steps of DETOXY to guarantee certain results.

These steps are fundamental in order to:

1. Gently exfoliates the epidermis, promotes cell turnover and smoothes and evens out the skin.
2. Restore the normal function of the skin barrier, ensuring long-lasting hydration and smoothes and evens out the skin.
3. Act in a target way to obtain a strong detoxifying action.

Thanks to the oxygenation and the detoxification obtained with this program, the benefits will be immediate visible.
