

## .501 NIO DRAIN

### Intensive draining gel cream

Gel cream formulated with specific active ingredients with draining and vasotonic properties that help improve microcirculation and promote the drainage of excess fluids. Thanks to NIOCONTROL™ technology, an innovative delivery system based on Niosomes, it makes the functional principles contained better and gradually available, for an optimal result. An ultra-light and comfortable texture, easy to apply and specially designed to be absorbed quickly without greasing.

#### PROBLEMS

- Bad skin microcirculation
- Water retention
- Swelling
- Heavy legs

#### EFFECTS

- Draining
- Vasoprotective
- Moisturizing

Tube 200 ml

Cod. Art.: ARO202131

## MAIN ACTIVE INGREDIENTS

### NIOCONTROL™

Innovative delivery system based on Niosomes, that allow to make the functional principles more available and gradually released. In NIOCONTROL™ the natural active ingredients have a well-known biochemical mechanism of action at the level of skin cells. They are encapsulated in small elastic vesicles (Niosomes) which work as an effective release system and enhancer of skin penetration, thus increasing the bioavailability of the active ingredients in the skin and ensuring maximum effectiveness.

### HORSE CHESTNUT EXTRACT

The phytocomplex obtained from different parts of the plant contains a mix of saponins very rich in components particularly useful for the treatment of disorders related to adipose tissues. In particular, it has an anti-inflammatory, antioxidant, lipolytic and vasotonic action.

### CENTELLA ASIATICA EXTRACT

It improves skin microcirculation and exerts a draining action. Vasoprotective and venotonic.

### ESCIN

Mixture of saponins present in horse chestnut particularly useful for the treatment of disorders related to adipose tissues. In particular, it performs an anti-inflammatory, antioxidant, lipolytic and vasotonic activity.

### TREHALOSE

Disaccharide, composed of two glucose molecules, naturally present in many living organisms such as plants, fungi, bacteria and invertebrates. It allows the skin to retain moisture ensuring long lasting hydration. Furthermore, it has an exceptional antioxidant power, protects the skin from the most common pollutants and slows down the aging process.

### VITAMIN E

It is one of the most powerful antioxidants capable of effectively counteracting the action of free radicals. Vitamin E also restores the skin's ability to retain water, fighting dehydration; repairs the damage caused to the collagen and elastin fibers, thus restoring firmness and elasticity to the skin; strengthens the skin barrier against UV rays, limiting the appearance of dryness, wrinkles and discoloration.

### ALMOND OIL

Thanks to the high composition of essential fatty acids, it has highly moisturizing and emollient properties. It is also rich in Vitamin E, Vitamin B, phytosterols and antioxidant substances that prevent skin aging and contribute to tissue regeneration.

### RICE OIL

Rich in Vitamin E, tocotrienols and oryzanol, it has a protective and antioxidant action.

## INSTRUCTIONS

Apply an adequate amount by massaging until completely absorbed with large and circular movements, starting from the ankles to the abdomen. Wash your hands thoroughly after use and avoid contact with eyes and mucous membranes. Avoid contact with broken skin. Rinse immediately if irritation occurs.

INGREDIENTS: AQUA (WATER), CAPRYLIC/CAPRIC TRIGLYCERIDE, ETHYLHEXYL PALMITATE, PROPANEDIOL, GLYCERIN, ORYZA SATIVA (RICE) BRAN OIL, PRUNUS AMYGDALUS DULCIS (SWEET ALMOND) OIL, AMMONIUM ACRYLOYLDIMETHYLTAURATE/VP COPOLYMER, CORN STARCH MODIFIED, PARFUM (FRAGRANCE), HYDROXYACETOPHENONE, TREHALOSE, CAPRYLYL GLYCOL, AESCULUS HIPPOCASTANUM (HORSE CHESTNUT) LEAF EXTRACT, CENTELLA ASIATICA (PENNYWORT) EXTRACT, ESCIN, 1,2-HEXANEDIOL, TOCOPHEROL, CAFFEINE, POLYGLYCERYL-10 LAURATE, POLYGLYCERYL-6 OLEATE, COLEUS FORSKOHLII (COLEUS FORSKOHLII) ROOT EXTRACT, PHENOXYETHANOL, SORBITAN PALMITATE, ETHYLHEXYLGLYCERIN, TETRASODIUM GLUTAMATE DIACETATE, BETA-SITOSTEROL, POTASSIUM SORBATE, SQUALENE.
