## MAIN ACTIVE INGREDIENTS

### ORGANIC BIOCELLULOSE

Biocellulose forms the base of this innovative mask which, in addition to perfectly adapting and adhering to the skin, has technologically-distinctive properties: **1.** Deeply transports the active ingredients with which it is imbued; **2.** Removes impurities from the skin.

### E COMPLEX

A complex of active ingredients that act as a 'formula-within-the-formula' to

confer to the skin: hydration (aloe, vitamins, betaine); antioxidant properties (resveratrol, vitamins, minerals); elasticity (chitosan, pullulan); a correct level of permeability (dimethyl isosorbide).

### COFFEE EXTRACT

An effective antioxidant, it promotes hydration and elasticity in the skin tissue.

### BAOBAB EXTRACT

Rich in vitamins A, D, E, Omega 3, 6, 9 and essential fatty acids.

### HIBISCUS

Revitalises the skin thanks to the action of its antioxidant and exfoliating properties.

### EPIDERMAL GROWTH FACTORS (Crocus Chrysanthus)

Stimulates biological skin growth factors, helps rejuvenate skin tissue, counteracts the ageing process, improves skin tone resistance, along with stimulating the production of collagen and elastin.

## INSTRUCTIONS

Clean the face before applying. Open the sachet and remove the mask. Apply the serum within the sachet using a light massage. The biocellulose mask is between 2 films. Once the mask is removed from the sachet, remove the outer film, apply the mask to the face then remove the second film. Ensure the mask perfectly adheres to the entire face, including the eyes, and leave on for 20-30 minutes. Remove the mask and gently dab with the palm of the hands to facilitate the absorption of any residual serum. No alcohol. No perfumes.
