

## BC MASK LIFTING & CONTOURING

100% pure biocellulose mask + DMAE and red algae extract

A professional high-quality biocellulose mask that helps redefine the contour of the face and give a lifting effect. The active ingredients provide tone, firmness and a more youthful appearance.

### PROBLEMS

- Premature ageing
- General laxity of the face

### EFFECTS

- Lifting
- Compactness
- Firming and toning

Single-dose 20 ml sachet

Product included in the kit and not sold separately

## MAIN ACTIVE INGREDIENTS

### ORGANIC BIOCELLULOSE

Biocellulose forms the base of this innovative mask which, in addition to perfectly adapting and adhering to the skin, has technologically-distinctive properties: **1.**

Deeply transports the active ingredients with which it is imbued; **2.** Removes impurities from the skin.

### DMAE

An active ingredient that stimulates the

production of collagen by increasing the thickness of the epidermis and augmenting the water content in the stratum corneum. Hydrating effect. Prevents skin laxity.

## INSTRUCTIONS

Open the sachet and remove the mask. Apply the serum within the sachet using a light massage. The mask is between 2 films. Once the mask is removed from the sachet, remove the outer film, apply the mask to the face then remove the second film. Ensure the mask perfectly adheres to the entire face, including the eyes, and leave on for 20-30 minutes. Remove and gently dab any remaining serum with the palm of your hands. Available in the Lifting & Contouring Kit. No alcohol. No perfumes.
