

RECOVERY inFUSION

De-stressing and Regenerating Ampoule

With its intensive and detoxifying treatment, it is perfect for fighting the first signs of ageing, staving off and counteracting skin reactions caused by excess stress. A high-impact treatment that promotes skin regeneration. The synergy of active ingredients helps restore optimal skin conditions to best respond to external aggravators.

PROBLEMS

- Stressed skin
- Devitalised skin
- Skin exposed to external agents/pollutants

EFFECTS

- Protective
- Moisturising
- Regenerating

3 ml glass ampoule
(pack of 5)

Cod. Art.: ARO302003

MAIN ACTIVE INGREDIENTS

GINKGO BILOBA EXTRACT

Rich in flavonoids, it has a regenerating and revitalising effect with intense anti-free radical action.

ARGININE

An essential amino acid, it favours the restoration of proper skin hydration levels, reducing water loss.

SOY PROTEIN

Prevents tissue degradation by increas-

ing skin elasticity and hydration.

MOISTURISING COMPLEX

Moisturising whilst safeguarding against TEWL, it is characterised by sugars and vitamins

INSTRUCTIONS

Apply to the face and neck after cleansing each evening. For optimal results, use one ampoule on each of the 5 days of treatment envisaged. Break the ampoule using the special breaker.
