

SOOTHING AND RESTORING MASK

100% Pure Biocellulose Mask, Hyaluronic Acid and Natural Restoring Complex

A pure biocellulose mask that has a soothing and restorative effect on the skin. The "Restoring Natural Complex" exerts an intense soothing action thanks to the mix of plant extracts within. What's more, hyaluronic acid has an immediate plumping and moisturising effect. Thanks to an innovative active probiotic-like effect, the mask confers a protective film to the skin of the face to help to restore optimal conditions.

MAIN ACTIVE INGREDIENTS

ORGANIC BIOCELLULOSE

Biocellulose forms the base of this innovative mask which, in addition to perfectly adapting and adhering to the skin, has technologically distinctive properties: **1.** It profoundly carries the active ingredients with which it is imbued; **2.** It removes impurities from the skin.

ALOE BARBADENSIS EXTRACT

Anti-inflammatory, restorative, calming and anti-ageing.

REJULINE®

A peptide with calming and healing properties. Strengthens elasticity by promoting collagen and elastin synthesis.

RHODODENDRON

Rich in flavonoids and quercetin, it has calming and anti-inflammatory properties.

PROBIOTIC-LIKE INGREDIENT

The protective, rebalancing and strengthening action of corneocyte cohesion.

INSTRUCTIONS

Wash the face only in cases of home use. Open the sachet and remove the mask. Apply the serum within the sachet with a light massage. The mask is between 2 films: once extracted from the sachet, remove the external film, apply the mask to the face and remove the second film. Ensure the mask perfectly adheres to the entire face, including the eyes, then leave on for 20-30 minutes. Remove and gently dab off any serum residue with the palms.
