

URBAN SHIELD CREAM

Elastin from Brown Alga & a Mix of Vitamins

A face cream specifically designed to detox and protect skin exposed to pollutants and damaged by atmospheric agents. A light and effective emulsion, able to form a "shield" on the surface of the skin that defends from daily aggressions (stress, pollution...); thanks to the functional substances with which it is enriched, it exerts an oxygenating and detoxifying action. A light blended texture that is free from oily residues, it is ideal for skin that is stressed, asphyxiated and exposed to atmospheric agents. Containing vitamins, it is able to prevent the formation of free radicals, trace elements with remineralising action and hyaluronic acid with moisturising effects.

PROBLEMS

- Stressed, tired and dull skin
- Skin exposed to atmospheric agents and pollution

EFFECTS

- Protection due to the detoxification film effect
- Oxygenating

50 ml jar

Cod. Art.: ARO205801

MAIN ACTIVE INGREDIENTS

HYALURONIC ACID

A hyaluronic acid with high molecular weight, having a deeply moisturising and film-forming action.

ELASTIN

A protein that forms the elastic fibres of

connective tissues; it confers elasticity and tone to the epidermis.

MAGNESIUM AND ZINC

In support of the natural functionality of the skin's immune system, they improve cellular metabolism. Zinc helps to rebal-

ance oily skin.

COMPLEX OF VITAMINS (Vit. C+A+E)

A mix of precious antioxidants to regulate pigmentation, stimulate collagen synthesis, redefine skin tissue and protect against free radicals.

INSTRUCTIONS

Apply to the face and neck after cleansing morning and/or night.

INGREDIENTS: AQUA (WATER), CETEARYL ETHYLHEXANOATE, SODIUM HYALURONATE, SORBITOL, ISOPROPYL MYRISTATE, ARACHIDYL ALCOHOL, HYDROLYZED COLLAGEN, ACANTHOPANAX SENTICOSUS (ELEUTHERO) ROOT EXTRACT, BEHENYL ALCOHOL, PHENOXYETHANOL, ARACHIDYL GLUCOSIDE, HYDROLYZED ELASTIN, ALLANTOIN, TOCOPHERYL ACETATE, RETINYL PALMITATE, CYAMOPSIS TETRAGONOLOBA (GUAR) GUM, XANTHAN GUM, MAGNESIUM ASPARTATE, ZINC GLUCONATE, GLYCINE SOJA (SOYBEAN) SEED EXTRACT, TRIETHYLENE GLYCOL, HYDROLYZED SILK, DISODIUM EDTA, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, PARFUM (FRAGRANCE), TRIETHANOLAMINE, COPPER GLUCONATE, TOCOPHEROL, LINALOOL, BENZYL SALICYLATE, BENZYL BENZOATE.
