

.342 REDEFINE MASK

Mask with firming and elasticising effect

Body mask with a gel texture specifically formulated to counteract sagging skin and improve the appearance of recently formed stretch marks. Developed with the new Architekt Define Technology which combats the effects of gravity by restructuring the elastic fibres, stimulates the synthesis of new collagen and improves the skin's natural hydration system, making it more compact, toned and firm. Enriched with Hydrolyzed Collagen capable of reaching the deepest layers of the skin and Betaine known for its high hydrating and protective power.

 fresh effect

PROBLEMS

- Lack or loss of tone
- Lack of elasticity
- Recently formed stretch marks

EFFECTS

- Firming
- Toning
- Moisturizing

Single-dose sachet 75 ml

Product included in the kit and not sold individually

MAIN ACTIVE INGREDIENTS

ARCHITEKT DEFINE TECHNOLOGY

It combines the work of three active ingredients with different specific functions: Hydroxypropylsilane, Hydagen® Aquaporin and Actygy®. Like a true architect of skin rejuvenation, this special technology acts on the different fronts of the skin's structural framework to give it firmness and tone.

HYDROLYSED COLLAGEN

Collagen is a fibrous protein and one of

the major components of the dermis. Applied to the skin, it increases its turgidity, firmness and thickness. Hydrolysed collagen is obtained by hydrolysis, a process that breaks down its long native chains into smaller fragments, making it easier to penetrate and absorb through the skin.

BETAINE

A natural substance extracted from sugar beet (*Beta vulgaris*), to which it owes its name. Thanks to its solubility and ability

to make water molecules cohesive, it is an excellent ingredient with a moisturising and humectant action. Its ability to combat cellular ageing processes and free radicals also make it an active ingredient with a strong tissue-repairing and protective action.

MENTHOL

Thanks to its special chemical structure, it is characterised by its refreshing and de-fatiguing action.

INSTRUCTIONS

Apply the entire contents to the areas to be treated. Cover the client with cartene and leave on for about 30 minutes. Massage the remaining product until completely absorbed. Wash hands thoroughly after use and avoid contact with eyes and mucous membranes. Avoid contact with non-intact skin. Rinse immediately in case of irritation. External use.

PROFESSIONAL USE.

BEAUTY TIPS

To maximise results, use the specific electrostimulation/ultrasound equipment or, alternatively, wear the pantacartene and proceed with ACTIVE UP WORKOUT (watch tutorial on Youtube channel AROSHA OFFICIAL).

INGREDIENTS: AQUA (WATER), BETAINE, PROPANEDIOL, GLYCERIN, GLYCERYL GLUCOSIDE, METHYLSILANOL HYDROXYPROLINE ASPARTATE, PPG-26-BUTETH-26, CARBOMER, HYDROLYZED COLLAGEN, BACILLUS/SOYBEAN FERMENT EXTRACT, PEG-40 HYDROGENATED CASTOR OIL, HYDROXYACETOPHENONE, PARFUM (FRAGRANCE), CAPRYLYL GLYCOL, XANTHAN GUM, 1,2-HEXANEDIOL, SODIUM HYDROXIDE, MENTHOL, SODIUM GLUCONATE, PHENOXYETHANOL, ETHYLHEXYLGLYCERIN, TETRASODIUM GLUTAMATE DIACETATE
