ATTACK

.340 ACTIVE UP

Professional program to treat the loss of tone.

For excellent and long-lasting results, combine professional treatment with a targeted home beauty routine.

Combats the effects of gravity

Restructures elastic fibers

Stimulates new collagen synthesis

Improves the skin's natural hydration system

PROFESSIONAL TREATMENT

A complete and effective program for evident and measurable results from the first treatment

.340 ACTIVE UP

It is tailored to face skin sagging, body atony, and visibly enhance the appearance of newly formed stretch marks, all of which are inesthetics caused by the natural aging process, weight loss, and improper, sedentary lifestyle.

.345 TONING PLUS

Restructures the elastic fibres, firms and deeply nourishes the skin.

For even more effective performance, we recommend combining the treatment with the use of equipment or performing the exercises of the ACTIVE UP WORKOUT protocol (watch the dedicated tutorial on youtube @Arosha Official).

BOOST NOVELTIES

Solutions to optimise and maintain at home the results obtained in the cabin

.518 B-TONE

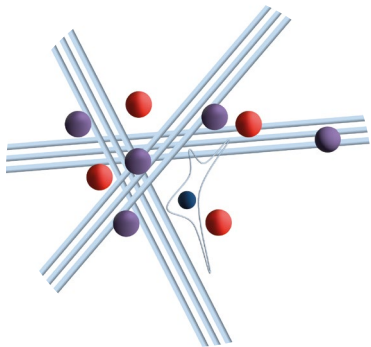

Restructuring, elasticising, nourishing and protective treatment.

.522 UP&TONE PANTS&REFILL

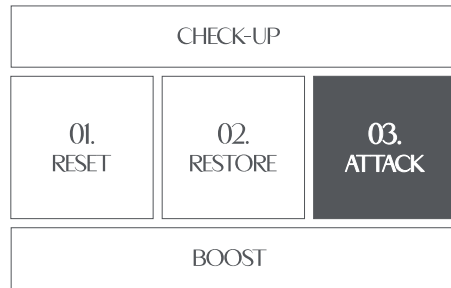

Firming, toning and moisturising treatment.

The special Architekt Define Technology, as a true architect of skin rejuvenation skin, combats the effects of gravity by restructuring elastic fibres, stimulates synthesis of new collagen and improves the natural skin's natural hydration system.

The result? Firmer, toned, and remarkably resilient skin.
