BOOST / FACE

GIVE A BOOST TO YOUR FACE

Highly performing solutions

AROSHA
AESTHETIC SCIENCE

BOOST is the exclusive home-care phase of the Arosha method, designed to prolong and enhance the benefits achieved during professional treatments. A complete line of cosmetic face treatments specifically formulated to address the skin's needs and work in perfect synergy with in-cabin protocols.

A targeted, continuous daily action that elevates your beauty routine with advanced textures and formulations, delivering unique comfort that translates into visible results.

CLEANSING

.700 B-CLEAN

Gentle biphasic make-up remover

Eye and lip make-up remover that combines an aqueous phase, that is suitable for cleansing and removing impurities and smog residues, with an oily phase capable of eliminating even the most resistant and waterproof make-up. Its formula is enriched with eudermic and emollient functional substances that counteract the sensation of irritation often associated with cleaning and removing make-up. Ideal for all skin types.

100 ml | 3,88 Fl.Oz.

Functional ingredients: Trealose, Glycerine.

CLEANSING

.701 SKIN AFFINITY

Cleansing oil

Precious cleansing oil for face that cleanses by affinity and not by contrast. A simple and precious formula, ideal for restoring to the skin only what it really needs to be healthy without altering its lipid balance; the product turns into a soft milk after contact with water. Suitable for all skins, even the most sensitive and fragile ones, thanks to its restorative and emollient action. Few ingredients, of vegetable origin, which operate to gently and respectfully clean the skin.

100 ml | 3,88 Fl.Oz.

Functional ingredients: Avocado Oil, Sweet Almond Oil, Rice Oil, Sunflower Oil.

CLEANSING

.708 PURIFY MASK

Exfoliating and purifying mask made in 100% Pure Biocellulose Fibers

Mask made of pure biocellulose fibers, based on next-generation exfoliating molecules that gently help remove dead skin cells. Thanks to its blend of active ingredients, it promotes the absorption of excess sebum and improves the appearance of enlarged pores.

20 ml | 0,68 Fl.Oz.

Functional ingredients: Organic Biocellulose, Lactobionic Acid, Gluconolactone, Azelaic Acid, Salicylic Acid, Cytobiol® Iris A2, low molecular weight Hyaluronic Acid.

HYDRATING & NOURISHING

.702 HYDRA ESSENCE

Hydrating and soothing lotion

Silky, ultra-light fluid designed to restore the skin's optimal balance and amplify the benefits of the serum and cream applied subsequently. Enhanced with the new 3Daquactive technology that improves skin hydration and helps retain moisture. Its impalpable consistency melts delicately on the skin making it exceptionally soft and velvety.

50 ml | 1,69 Fl.Oz.

Functional ingredients: 3D aquactive Technology.

HYDRATING & NOURISHING

.703 HYDRA SERUM

Hydrating and restorative booster

Concentrated serum developed with 3Daquactive technology and Betaglukan which work synergistically to support and enhance skin's moisture balance, promote the restoration of the hydrolipidic film, improve skin elasticity, and stimulate natural epidermal repair mechanisms.

30 ml | 1,01 Fl.Oz.

Functional ingredients: 3D Aquactive Technology, Beta Glucan.

HYDRATING & NOURISHING

.704 HYDRA CREAM

Hydrating gel cream

Face gel cream with a "sorbet" texture developed using 3Daquactive technology which helps strengthen the skin barrier and maintain optimal skin hydration. It is enriched with vitamins PP and E, known for their high antioxidant power, and enhanced with Camellia Oil, which has emollient and protective properties. Ideal for all skin types, even combination and oily, and to be used at any time of the day.

50 ml | 1,69 Fl.Oz.

Functional ingredients: 3D Aquactive Technology, Beautypol Moist Pha, Vitamin Pp, Tocopherol, Camellia Oil.

HYDRATING & NOURISHING

.705 EXTRA NOURISHING TEXTURE RICH

Deeply nourishing and hydrating cream

A rich emulsion specifically designed to favour the restoration of the optimal conditions of the hydrolipidic film – an essential treatment for providing everything needed for even the most exacting skin, reducing the feeling of rightness. Thanks to the rich selection of active ingredients, an enveloping and soft texture reconstructs the skin barrier damaged by external or internal factors. Cream suitable for particularly dry skin.

50 ml | 1,69 Fl.Oz.

Functional ingredients: Ceramides and, Phytosphingosine, medium Pm Hyaluronic Acid, Probiotic-Like ingredient, Shea Butter, Growth Factors & Peptides.

HYDRATING & NOURISHING

.706 EXTRA NOURISHING TEXTURE LIGHT

Nourishing and hydrating cream

This face cream with high nourishing and moisturising power restores the right level of lipids and suppleness in the skin. The powerful antioxidant action further prevents signs of ageing. Pro Barrier is ideal for combination and oily complexions, conferring the nourishment and hydration needed for beautiful and healthy skin. Cream suitable for combination and generally oily skin.

50 ml | 1,69 Fl.Oz.

Functional ingredients: Pro Barrier Complex, Radicare®, Grandpowder Usq, Squalane, Blend of vegetable Waxes.

HYDRATING & NOURISHING

RESTORE KIT

One-week intensive treatment for the restoration and protection of the skin barrier

A treatment with a recompacting action designed to restore the natural skin barrier. The use of these products is recommended during the week immediately following the peeling. The mini format of the kit (15 ml per product) is useful both for the client to be able to try the Arosha products, and for the beautician to make sure that the client takes care of the skin in the right way after the treatment.

Extra Nourishing Texture Rich - 15 ml | 0,51 Fl. Oz.
Skin Affinity Cleansing Oil - 15 ml | 0,51 Fl. Oz.

HYDRATING & NOURISHING

.709 RESTORE PROBIOTIC MASK

Soothing and Restorative Mask in 100% Pure Biocellulose Fibres

Mask made of pure biocellulose fibres, enriched with a blend of specific ingredients designed to counteract skin discomfort while providing a soothing and restorative effect. Its formula includes an innovative "probiotic-like" ingredient that creates a protective film on the skin, helping to restore its optimal condition.

20 ml | 0,68 Fl.Oz.

Functional ingredients: Organic Biocellulose, Ectoine, Zenerity™, Pro-Biotic like ingredient (Fensebiomet™), Glycerol Extract of Tasmanian Pepper, Aloe Barbadensis Extract (Aloe Vera), Allantoin, high & low molecular weight Hyaluronic Acid.

HYDRATING & NOURISHING

.711 HYDRALIPID INFUSION

Moisturising and nourishing ampoule

A precious biphasic ampoule, characterised by two immiscible stages. Conveys hydrophilic and lipophilic functional substances in a single product, thus ensuring the dual action of hydration and nourishment. A prized and innovative repairing complex deeply restores the skin, guaranteeing protection. It immediately offers a smoother and more velvety appearance.

5x2 ml | 5x0,06 FL.Oz.

Functional ingredients: Macadamia Oil, Amazonian Walnut Oil, Amazonian Walnut Oil, Squalane, Repair Complex, Repair Complex, Panthenol, Moisturising Sugar, Bisabolol.

ANTI-AGING

.712 REVITAL GLOW MASK

Brightening and smoothing effect mask made in 100% Pure Biocellulose Fibers

Pure biocellulose mask formulated with a blend of functional ingredients that work synergistically to revitalize dull and tired skin, giving it a more youthful and radiant appearance. Its formula, enriched with hyaluronic acid, improves skin hydration, leaving the skin soft and elastic.

20 ml | 0,68 Fl.Oz.

Functional ingredients: Organic Biocellulose, Vitamin Pp, Vitamin C (Ethyl Ascorbic Acid), Bioactive Peptide, Rgothioneine, high molecular weight Hyaluronic Acid, Acid, Dragon Fruit Exosomes.

ANTI-AGING

.713 X-AGE SUPREME MASK

Anti-aging mask in 100% Pure Biocellulose Fibers

Pure biocellulose mask formulated with the new EctoComplex-3 technology, which combines actions on regeneration, antioxidant protection, and improvement of skin tone. Its formula is also enriched with innovative peptides that combat the signs of aging and an exclusive ingredient that counters the formation of advanced Glycation Endproducts.

20 ml | 0,68 Fl.Oz.

Functional ingredients: Organic Biocellulose, Ectocomplex-3 Technology, Ergothioneine, Acetyl Hexapeptide-8, Dipeptide Diaminobutyryl Benzylamide Diacetate, Zenerity™, low molecular weight Hyaluronic Acid.

ANTI-AGING

.714 X-AGE SUPREME RICH SERUM

Anti-aging serum | dry skin

Fluid emulsion serum developed with EctoComplex-3 technology with a combined action on skin regeneration, antioxidant protection and improved skin tone. The rich texture, ideal for dry skin, leaves the skin velvety, smooth and deeply nourished.

30 ml | 1,01 Fl.Oz.

Functional ingredients: Ectocomplex-3 Technology, Phytoteoglycans, high -medium-low molecular weight Hyaluronic Acid, Organic Silicon, Vitamin E, Ginkgo Biloba Extract, Moringa Butter, Jojoba Oil.

ANTI-AGING

.715 X-AGE SUPREME RICH CREAM

Renewing cream | dry skin

Rich emulsion with EctoComplex-3 technology, which acts in synergy on skin regeneration, antioxidant protection and improved tone. A complete day treatment to combat the signs of aging and restore the physiological balance of the skin. The nourishing texture, enriched with emollient vegetable oils and Moringa butter, is perfect for dry skin, offering deep hydration and long-lasting protection.

50 ml | 1,69 Fl.Oz.

Functional ingredients: Ectocomplex-3 Technology, Palmitoyl Tripeptide-38, Gatuline® In-Tense, Low Molecular Weight Hyaluronic Acid, Collagen, Moringa Butter, Avocado Oil, Wheat Germ Oil, Vitamin E.

ANTI-AGING

.716 X-AGE SUPREME RICH CREAM NIGHT

Anti-ageing night cream | dry skin

A silky and rejuvenating night treatment to be applied overnight or as an intensive mask. Formulated with the exclusive EctoComplex-3 technology, which combines action on skin regeneration, antioxidant protection, and improved skin firmness. Its unique formula creates the ideal environment to activate the skin's natural regenerative powers.

50 ml | 1,69 Fl.Oz.

Functional ingredients: Ectocomplex-3 Technology, Superoxide Dismutase, Coenzyme Q10, Matrixyl® 3000, Soya Isoflavones, Alpha-Bisabolol, Aloe Barbadensis Extract, Licorice Extract, Witch Hazel Extract, Moringa Butter, Avocado Oil, Wheat Germ Oil, Vitamin E.

ANTI-AGING

.717 X-AGE SUPREME LIGHT SERUM

Anti-aging serum | mixed and oily skin

Innovative cream-gel serum with EctoComplex-3 technology with combined action on skin regeneration, antioxidant protection and improved skin tone. Enriched with Phytoteoglycans and Organic Silicon to boost collagen and strengthen the skin structure. The fresh and light texture is perfect for the needs of combination and oily skin.

30 ml | Fl. Oz. 1,01

Functional ingredients: Ectocomplex-3 Technology, Vegetal Squalane, Phytoteoglycans, Ceramide Complex Clr™, low molecular weight Hyaluronic Acid, Organic Silicon, Ginkgo Biloba Extract.
